

## French Revolution Recruitment Poster

### JOIN THE REVOLUTION!!

Directions: On the back of this sheet, you are to create a recruitment poster for the people of France to join in on the revolution. You are calling for people of the 3<sup>rd</sup> Estate to stand up and invoke change. Below is a list of things you will need to include on your poster

1. Create a slogan ex. “Join the Revolution or meet Madam Guillotine!”
2. Somewhere on your poster include the causes of the revolution as discussed in class
3. Cleverly tie in the following terms in some fashion:
  - a. Guillotine
  - b. Maximilien Robespierre
  - c. King Louis XVI and Marie Antoinette
  - d. Declaration of the Rights of Man

Artistic quality will not be graded but neatness and planning will. You will need to use color, captions, and drawings to complete the poster. Remember, you are trying to recruit people to your cause, so your poster should be eye catching.
